

It has been another busy week at school. On Monday, we celebrated our fantastic Kindness Crew in assembly, with Ella confidently sharing the story of our trip to London to collect our award. We are also incredibly proud of our Eco-Committee, who have been putting the finishing touches to our Green Flag application. Throughout the year, they have planted trees, created a wildlife pond, built bug hotels, monitored bird boxes, learnt about sustainable farming with Farmer Mack, cared for our school grounds, and inspired others. Well done to everyone involved!

UEA Athletics Event

On Thursday 18th June, selected pupils from Years 3, 4, 5 and 6 travelled to the UEA to take part in an athletics event.

The children earned their places after taking part in school trials and demonstrating their talents during PE lessons, where they really shone in their chosen athletics events.

Every child competed brilliantly, taking part in sprint races, long-distance running, long jump, a turbo throw, and finishing the day with a relay race. Every single child should be immensely proud of themselves.

A huge congratulations to our medal winners: **Roman, Harvey, Verity, Jasper (taking home two medals!), Jack, Nancy, Beth, Audrey and Elliot**, who all achieved fantastic 1st, 2nd or 3rd place finishes. What an incredible achievement!

We couldn't be prouder of every single one of the children. They represented our school beautifully, gave their all in every event, and we hope this is a memory they will cherish for years to come. Well done, everyone!

ATTENDANCE

Our school target for attendance this year is 97%. This week our attendance was 97.1%

Year 2 and Year 3 got 100%

Great work everyone!

🏠 Hawthorn Class Shop! 🏠

Hawthorn Class had a fantastic morning putting their money skills into practice by running their very own class shop. They calculated totals using a range of written and mental strategies, found the correct change, and even managed a £10 debit card budget by recording their spending. Throughout the session, the children worked brilliantly together, checked each other's calculations, and developed their confidence in using money in real-life contexts. Well done, Hawthorn Class! 🌟👏

Eco-Committee

Our Eco-Committee has worked incredibly hard throughout the year and has finished with two fantastic achievements: they will present a whole-school assembly and have created our new Surlingham School Eco-Code. Over the year, they have planted trees on our school site and field farm, created a wildlife pond, cared for our plants, learnt about sustainable farming with Farmer Mack, built bug hotels, monitored our bird boxes and raised awareness of environmental issues across the school. This week, they completed their Eco-Code, which will help guide our school in continuing to care for the environment for years to come. We are incredibly proud of all they have achieved as we submit our Green Flag application.

OUR ECO-CODE

SURLINGHAM PRIMARY SCHOOL

Reduce, reuse, recycle too,
It's the eco-friendly thing to do!

Save water and energy every day,
Turn off taps and lights
before you walk away!

Care for nature, green and clean,
The happiest school you've ever seen!

Together we all can do our part,
To help our Earth
with hands and heart!
